

Ocean breeze the luxury apartments in OMR

Ocean breeze is a range of luxury apartments in OMR promoted by Stone Bridge in association with Allzone Infra. Ocean breeze is placed in the center of all your needs yet tucked away from the dust and noise. It captures the hearts of buyers as it is built on a prime locality in OMR, it stands tall covering 1.7 acres in Kazlipattur (OMR). The gated micro township is loaded with 124 apartments neatly spread out in five blocks with four floors each. The entire structure is surrounded by a well maintained lawn and garden area. The other features include swimming pool, jogging track, supermarket, community hall, private covered car parking and lifts.

Ocean breeze is designed to perfection. These quality apartments are built with quality and exquisite design to suit every family's needs. The apartments size ranges from 837 - 2083 sqft. The choice of 2BHK, 3BHK or 4BHK is available. All fittings are of premium quality right from the doors, windows, modular kitchen, electrical points to sanitary wares. The twinkle in the eye is that these luxury apartments are affordable.

Every floor speaks of astounding design; every apartment is strategically placed to support privacy and security. The view from every floor is breath-taking; the calm surroundings are a perfect match for resting and relaxing with your family after a hard days work.

An investment in Ocean breeze is sure to triple your fortunes in a year as the land value in OMR keep increasing day by day. We are happy to extend our inauguration offer exclusive to IT professionals.
